3M Hookit Paper Disc 236U offers aggressive cut and long life on a premium aluminum oxide disc with a durable edge and convenient Hookit attachment. A go-to product in many industrial operations, this durable disc is well suited for high production sanding operations as well as general purpose applications on paint, primer, wood, metal, plastic, and composites, including fiberglass.

- Premium aluminum oxide mineral is durable, cuts fast, and performs well on many surfaces
- Strong, C-weight paper backing supports aggressive sanding with extra durability compared to lighter weight paper backings
- Open coat construction and load-resistant coating prevent premature loading of the disc surface to maximize cut and extend abrasive life
- 3M™ Hookit™ discs are easy to change and reuse, maximizing sanding utility for the life of the disc
