uvex pheos alpine – multifunctional helmet for working at heights and rescue operations

Head protection doesn't get much more versatile than this: The uvex pheos alpine combines the various requirements of the industrial sector (in accordance with EN 397) and mountain climbing (in accordance with EN 12492) in one helmet with an unparalleled fit.

General features

- Multifunctional helmet for working at heights and rescue operations
- Combination of features from the industrial protection helmet (EN 397) with the requirements for a climbing helmet (EN 12492)
- Safety helmet with slot on the front for helmet lights
- Side Euroslot adapters (30 mm) for attaching earmuffs or the uvex pheos visor system
- Options for attaching head torches, goggles and face protection

Protection features

- Meets standard EN 397 and additional requirement for very low temperatures (-30 °C)
- Firmly riveted four-point chin strap for use in accordance with EN 12492
- Chin strap included (art. no. 9790.005) for use in accordance with EN 397
- Light ABS helmet shell offers high level of protection and durability

Description

Uvex 2111.217 Whisper + Corded Ear Plugs In Hygiene

- Earplugs are often used in dirty work environments. This means that particles can easily stick to the surface of materials and cause minor injuries to the wearer's ears.

The smooth and dirt-repellent surfaces of the Uvex whisper+ earplugs can easily be cleaned with soap and water.

This increases wearer comfort and safety for the user.

With the cord, the earplugs are always conveniently at hand – in low-noise areas, the earplugs can be worn comfortably around the neck

Easy-to-clean reusable earplugs

Smooth, dirt-repellent surface can be easily cleaned using soap and water

Hygienic storage of earplugs in hygiene box

Colour: lime

Attenuation: SNR=27dB H: 27 dB, M: 24 dB, L: 22 dB
