Vertical Lift Garage and Dock Doors

- U-shaped bottom astragal protects against the elements and provides a positive seal
- Heavy-duty 10-ball commercial rollers
- Hinges are 14-ga., hot-dipped galvanized steel
- Include all hardware needed to install

Noninsulated doors are embossed and ribbed steel. The exterior and interior are prefinished, then finish coated with baked-on polyester primer and acrylic. Insulated doors feature polystyrene insulation bonded between 26-ga. substrate. Provide incredible strength and thermal protection. Flush wood grain embossed panels.
