Clearview Totes with Snap-On Lids

- Stackable

Lids attach securely to the container's rim for a tight hold to cover and seal contents. Clear plastic walls give full visibility to contents. Lids with latches ensure a firm seal to the container. Built-in handles for carrying. Use to store and transport items in residential, commercial, and industrial applications.

Colored Totes with Snap-On Lids

- Stackable
- Include matching lids

Lids attach securely to the container's rim for a tight hold to cover and seal contents. Lids with latches ensure a firm seal to the container. Solid color plastic totes can be used to create color-coded systems for organization and storage.
