

Dixie Disposable SmartStock® Cutlery Dispensers

■ Black

Hygienically distribute, hold and organize cutlery, and limit direct contact and mitigate the spread of germs. Cutlery and dispenser series must match, see SmartStock cutlery on page 1384. Used in low-traffic areas such as break rooms or high-traffic areas such as cafeterias.

Dispenser Sublease Information: The SmartStock Cutlery Dispensers, owned by Dixie, are not available for sale, but are subleased to end user customers by Grainger, an authorized distributor of these products. The Grainger price is therefore a one-time sublease acquisition fee. The sublease requires that only Dixie products be used in these dispensers. By paying the one-time sublicense fee, you are agreeing to be bound by such sublease. You can review the sublease by visiting the Grainger.com listing for the relevant product.

Bulk Disposable Cutlery

Plastic cutlery can be placed in bins or combination dispensers in large quantities. **Individually Wrapped** cutlery eliminates direct contact with the utensil, limiting the spread of germs. **Individually Wrapped Grab & Go Packs** come in a convenient self-dispensing box. **Cutlery Sets** include multiple assortments of spoons, knives, and forks.

Disposable Carry-Out Containers

■ Square shape

Foam—Hold food for serving, taking meals on the go, or storing leftovers. Foam insulates food better than paper, plastic, or fiber containers and are more durable than paper or foil containers.

Molded Fiber—Consist of plant fibers such as paper and are molded into shape.
