

Leather Palm Work Gloves

Heavy-duty gloves provide protection and abrasion resistance for demanding work environments. Leather palms and breathable back material for comfort. Gloves with hi-vis colors have reflective stripes on the back to increase safety when working in low-light or high-traffic locations. Pigskin gloves won't stiffen after getting wet; ideal when working in damp and wet conditions.

D1583, D1585, and J3484 are sewn with extra-strong Kevlar thread.

J3479 and J3484 have double leather palms for added protection.

D1699 and D1707 are slip-on with adjustable hook-and-loop closure at wrist.
