Pesticides Safety Cabinets

- Green color
- For small container storage
- Recessed pull door handles
- For indoor use
- Cabinets meet OSHA and NFPA Code 30 Standards and are FM approved
- Justrite cabinets also meet NFPA 1 and the International Fire Code
- Jamco cabinets also meet UFC 79 standards

Steel pesticide safety cabinets store pesticides and turf chemicals to prevent the contents from igniting in the event of a fire. Shelves have trays that contain small spills. Chemical-resistant coatings protect surfaces from spills and leaks.

Additional shelves create storage space or replace damaged shelves. Match the brand of shelf and cabinet together along with the storage capacity.
