Utility Pole Marking Numbers and Label Mounting Plates

- Aluminum

Marking numbers convey custom numberings on utility poles using the numbers 0 to 9.

Mounting plates are nailed onto a utility pole and provide a smooth surface for applying stickers and other adhesive labels.

STRANCO
Self-Laminating Write-On Inspection Labels

Labels are ideal for exposure to rough use, abrasion, or chemicals. A clear self-laminating film seals in markings by pencil, pen, or marker. Polyester with acrylic adhesive backing. ⅝"H x 1½"W. 350 per pkg., 8ATY9 has 225 per pkg.

STRANCO
Die-Cut Permanent Letters and Numbers

- Indoor/outdoor
- Gothic font

Labels are cut to match the shape of the character being displayed to provide a cleaner aesthetic. Normal labels are rectangular and have non-printed areas around the character they communicate. Letters are all uppercase characters.

Reflective numbers and letters are made with reflective materials or coatings for easier visibility.
