

## 50mm and 56mm Dia. Tower and 86mm Dia. Warning Lights

- IP65 polycarbonate housing
- Lead wire type

56mm dia. tower lights feature steady and flashing stackable LED modular components. Available pole with surface, or wall mounting bracket, or direct mounting. Optional modular buzzer kits. 86mm dia. warning lights feature high-intensity LED lights, selectable steady/flashing/rotating modes. Available pole mounting or wall-mount bracket. UL Listed and CSA Certified.
