## Metallic Surface Raceway Systems

- 500 Series: 1/2"H x 3/4"W
- 700 Series: 11/16"H x 7/4"W
- 2400 Series: 7/8"H x 1 7/8"W
- 3000 Series: 1 1/2"H x 2 3/4"W

- 4000 Series: 1 3/4"H x 4 3/4"W
- Steel raceways provide wiring capacities for small to medium size installations. Power or data/

communication devices can be wired into the raceway for a flush appearance satisfying both aesthetic and functional requirements.

## 1500, 2600, and OFR Series Steel Overfloor Raceways

Low profile prevents tripping while keeping wire and cable concealed. Often installed in high traffic or open areas like office conference rooms and halls. Individual components in raceway systems must be purchased from the same brand and series to ensure compatibility.
