Weatherproof Outlet Covers HUBBELL TAYMAC

NEMA 3R covers install quickly using the Quick-Fit keyhole mounting system.

Metal in-use covers feature commercial-quality die-cast metal construction that meets or exceeds extra-duty specifications. Lockable open or closed. Universal-Fit technology with included gasket and mounting hardware.

Polycarbonate in-use covers can be custom-fit with Knock-Out technology. Durable high-impact polycarbonate construction features attached gasket and lockable tab. Include mounting hardware. 38R662 to 38R664 and 38R666 are deep design.

All are UL Listed.
